

SUSQUEHANNA RIVER BASIN COMMISSION
CONSUMPTIVE USE MITIGATION GRANT

LANDOWNER CONSENT LETTER

I, _____ (Property Owner) do hereby authorize and agree to permit _____ (Applicant) to enter my property, with the intent to plan, design, construct, and/or maintain a consumptive use mitigation project on my property for the purpose of improving water quantity and/or quality conditions in the _____ (Watershed).

I understand that if a Consumptive Use Mitigation Grant award is made by the Susquehanna River Basin Commission, I will need to execute a Landowner-Grantee Agreement with an Operation and Maintenance Plan in order for the grant award to be funded and the project to be implemented. This Agreement will identify specific maintenance tasks and the parties that will be responsible to perform those tasks to ensure that the consumptive use mitigation project is properly maintained.
